INTRODUCTION

Welcome to the 1991-92 edition of the Fort Hays State University Block and Bridle scrapbook. The following pages will give you a chance to see what are club has done this school year.

First, a little about the University. FHSU is located in Hays, Kansas about half way between Denver, Colorado and Kansas City, Kansas. We are a four year college with approximately 5,000 students. The colors are black and gold with the tiger as our mascot.

The FHSU Block and Bridle Club is one of the largest and most recognized organizations on campus. The club participates in a wide variety of activities with 98 members.

The club had an extremely busy, funfilled year. To start off, the club sponsored the annual Back to School Picnic for all of the FHSU students.

Soon after, the club helped KJLS by cooking hamburgers at the show in Wichita. Not only is this event fun, it is one of our money making projects for the club. Other money making projects included selling hamburger and sausage again this year. Our club also halped soponsor several contests for the NW District FFA and Livestock Judging Contest for junior colleges. We also presented a proposed budget to the Student Government Association (SGA) for budget allocations for the next year. The SGA recognizes the value of the club as they increased our allocations.

In November, 27 members and Dr. Gould attended the national convention in Louisville, Kentucky. Dr. Gould was elected as the President of the National Block and Bridle Club. Nine members and Dr. Gould attended the Regional Meeting held in Lincoln, Nebraska. Also, Melanie Wendling from has was elected as regional secretary.

This is just a short summary of what our club did. Would like to thank Shelby Snyder and all the other people who helped construct the scrapbook. The scrapbook was cosructed and edited by Curtis Ohlde club historian.

Enjoy the 1991-92 edition of the FHSU Block and Bridle scrapbook!

MEETINGS

Dr. Ron Nelson talks to B&B members about an upcoming livestock judging contest.

Weekly Block & Bridle meetings were held in the Trails room of the Fort Hays Memorial Union, with the exception to special meetings which were held at the University Pavilion, swine unit, and dairy unit.

The September 4th meeting of Block and Bridle was called to order at 6:30. The minutes were approved as read and Brian gave the treasurer's report of \$2404.67 on campus and \$566.48 off campus. Allocations of \$1700 will also be received.

The first item of business was the calling committee. A list was passed around for those interested in helping call members to tell them when the meetings are.

Just briefly mentioned was the Kansas Junior Livestock Show, September 28 at Wichita and the telethon on October 23.

The Dairy contest was the next item of business. Anita took names of those people who wanted to help wash, clip, set up panels, haul cows, tabulate, run cards, and to be group leaders.

The Holiday party was discussed next. Holiday party chairman, Laura Kleweno, made a motion to have the holiday party on Saturday, December 7 at the VFW Hall in Victoria, Kansas. She had received input from advisors, alumni, members, and guests concerning the upcoming holiday party. The committee came up with the following list of people to extend invitations to: Block and Bridle members and one guest, Block and Bridle alumni, advisors, special guests, and supporters of Block and Bridle. Rob Rahe seconded the motion. The club then voted on the motion and it passed unanimously.

Dr. Gould next talked about the dues. He said whoever paid their dues for the whole year would receive a ticket to the Michelle Wright concert at Murphy's.

The last item of business was the National meeting. This year the meeting is in Louisville, Kentucky on November 14, 15, and 16. Anyone interested in attending was supposed to decide in the next few weeks if they would have enough money to go because names will need to be taken. Dr. Gould said rooms for 28 people have already been reserved. Some money for the trip is received from Student Government along with an allocation from Block and Bridle. Next week, the club will decide how much money will be allocated.

The meeting was then adjourned.

Jerry Dewees
President

The March 25 meeting of Block and Bridle was called to order with 36 members and three advisors present. The minutes were approved as read and Brian gave a treasurer's report of \$1044.99 on-campus and \$970.29 off-campus.

To start the meeting, Marc Enyart talked about SGA elections and encouraged people to run for Senate seats. He said Andy Addis and himself are running for SGA President and Vice President, and he asked for Block and Bridle's support.

Kelvin next talked about the Senate seats available and read off the divisions people can run in. He talked a little about what happens in Senate and how often they meet. He added that it is a good way to get involved and to meet people.

Dr. Gould added that next year we will be receiving more money because of the good reputation we have as a student organization and also because of the representation we have on Senate. Kelvin agreed to organize the people running and help them get the forms filled out. He will then let everyone know who is running.

The next item of business was the FFA Judging contest on April 9. Dr. Nelson handed around a list of volunteers. A letter to dismiss volunteers from class will be handed out later.

Brenden next talked about the Little I. He reported that the swine, sheep, and dairy have been moved to the Pavilion and the beef will be moved Friday. Brenden gave the combination for the gate up at the Pavilion and said to keep it locked when no one is there. A handout was passed around telling the times of the fitting and clipping demonstrations.

There will be a hog roast the Saturday before the Little I. It will be at Frontier City from 6 to 9 p.m. and the cost will be \$5 for Block and Bridle members and Little I contestants. Brenden also said to read and follow the rules posted at the Pavilion.

Anita talked about the petting zoo. Letters have been sent out and volunteers will be needed for the day of the petting zoo.

Dr. Nelson reminded everyone of elections next week and encouraged everyone to show up.

The meeting was then adjourned.

WELCOME BACK PICNIC

The Fort Hays Block & Bridle Club began the year by serving the annual "Welcome Back" picnic on the first day of school. The picnic is held on the FHSU campus and is attended by students, faculty, alumni, and guests. The Fort Hays Alumni sponsors this picnic and has asked Block & Bridle to serve this function for many years.

Dear Dr. Gould:

Will you please pass on a "thank you" to the members of Block and Bridle for their usual excellent help in handling the most important part of the FHSU Family Picnic, the food!. The best thing about Block and Bridle doing this job is that I just forget about the food part of the picnic. I know it will be done right and I know I do not need to worry about it. What a relief. Needless to say, PFM also appreciates a no-hassel food service set up and serve situation.

MUAB also appreciates the \$50.00 to help with the overall costs of the picnic. It would be very difficult to do the picnic without Block and Bridle, so, beware, we will be contacting you again in April for 1993.

Yours Truly,

I.B. Dent

ENDOWMENT FUND DRIVE

Members could choose to call National, Kansas, or Hays phone numbers. Sloan Pebley is busy trying to raise money with Kansas phone numbers.

The Endowment Fund Drive is a fund raising activity that is used to try to raise money for scholarships. It lasts for fourteen nights and a different organization helps every night. Thirteen members of Block and Bridle helped in the Endowment Fund Drive this year.

(L to R) Tim Dasenbrock, Sloan Pebley, Jerry Deweese, John Gould, Rob Rahe, Jamie Buhrle, Jim Carpenter, Anita Sakala, and Shawn Sammons. Dr. Gould is in the background looking over receipts.

PETTING ZOO

A petting zoo was put on at the FHSU Pavilion by the Block and Bridle Club. Children from the Hays area were invited to attend. Sheep, swine, horses, and dairy were used for the petting zoo. There was also information on dairy cows and a sheep shearing demonstration.

Jerry Deweese and Cristi Carson show the kids a couple of lambs.

Kevin Huser gives the kids a sheep shearing demonstration.

Mike Eckroat holds a baby pig while the kids pet it.

Petting zoo scheduled

Block and Bridle, in conjunction with the agriculture department will sponsor a petting zoo from noon to 3 p.m., Friday, at the Livestock Pavilion.

The petting zoo is free and open to the public. Several types of farm animals will be on display.

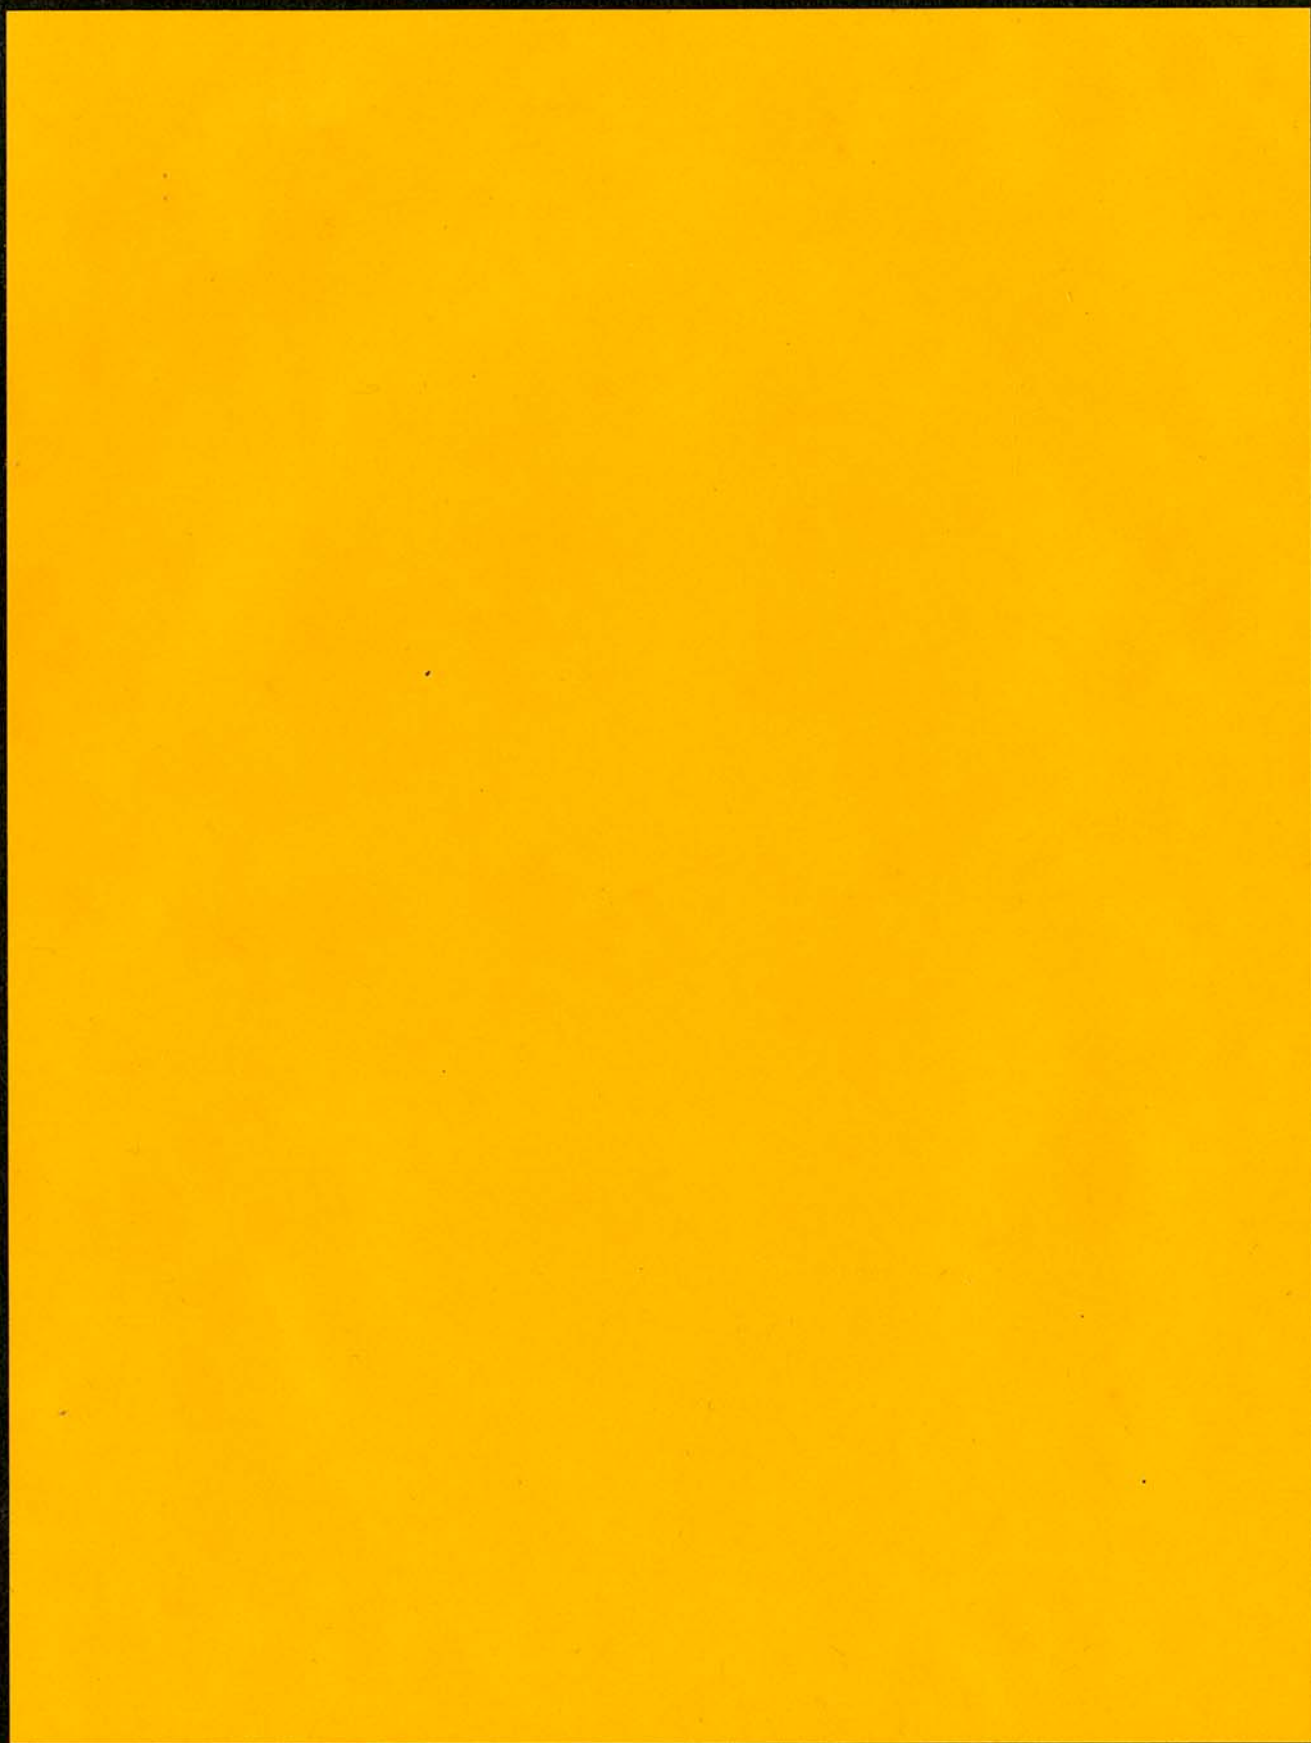

Articles from surrounding local newspapers alerting people of the petting zoo.

Petting zoo intended as learning device

A petting zoo is planned for Friday at the Fort Hays State University pavilion. The zoo will run from noon to 3 p.m.

Sponsored by the university's Block and Bridle club and the agriculture department, the petting zoo is designed to let area school children get a first-hand look at agriculture.

The pavilion is located 2 miles north of Interstate 70 and the U.S. 183 Alternate interchange. There is no charge to attend.

FFA DAIRY CONTEST

The Block and Bridle Club hosted the annual FFA Dairy Contest. The cows were supplied by the FHSU Farm and the judging official was Mike Pachta a former Fort Hays Block and Bridle member. Block & Bridle members helped prepare the animals by washing and grooming them, also members helped in the running of the contest and making sure it ran smoothly.

John Gould calls of numbers of judges to make sure everyone is in the proper group.

MEAT SALE

Brenden Osborn and Bob Keener sack up sausage packages for a customer.

The major fund raiser for the club is meat sales in the past B and B processed the sausage themselves. This year sausage and hamburger was processed and packaged by LaCrosse processing then sold on designated days. The chairman was Anita Sakala.

Carmen Wilhelm adds up a customers bill while other B & B members look on.

CLUB SPONSORED EVENTS

To start the school year off the Ag. Dept. put on a welcome back picnic for B and B members, Rodeo Club, DTA, and Ag. Majors. Next Block and Bridle had a welcome back barbeque where old and new members could get to know each other and ask any questions they might have about the club. The Christmas Party was held the first weekend in Dec. Block and Bridle invited Alumni and JUCO's that may have students transferring to Fort Hays. Also, the club sponsored intramural sports of members who wanted to participate. Events members participated in were intramural rodeo, football, volleyball, basketball, and softball.

The welcome back Ag. picnic was a good turn out. Hamburgers, chips, and pop was served. Cooking are (left to right) Dr. Brent Spaulding (faculty), Dr. Ron Nelson (faculty and advisor), Jamie Burhle (B and B member), Jerry Deweese (B and B president), and Dr. Garry Brower (faculty).

(Below R) Block and bridge members wait there turn to participate (R to L) Jason Wallace, Jamie Buhrle, Rob Rahe, Ed Holloway, and Mike Eckroat. Events held were chute clogging, calf tying, team roping on foot, steer ridding where contestants rode steers backwards laying down, and stick barrel racing.

The annual christmas party is held for Block and Bridle members, B and B alumni, and potential students from surrounding JUCO. Give alumni a chance to meet new and old members of B and B and have a good time.

LITTLE
INTERNATIONAL

The 19th Annual Little International was held April 11, 1992. The Little International is a fitting and showing contest which consists of five classes: swine, sheep, horse, dairy, and beef. This year we had our largest turn out ever. Contestants were not only Agriculture majors, but a wide variety from across campus. Contestants could receive individual awards or pair up in threes and form a team. The chairman from this year's Little International was Brenden Osborn and his assistant Randy Huser. Following the contest a banquet was held for Block and Bridle members, contestants, family members, and special guests. Also, at this time awards for both Block and Bridle and the Little International were received.

This program was for the Little International Banquet. It consist of the banquet agenda, Agriculture facualty and staff, new and old B and B officers, judges, contestants, awards given, award sponsors, and information about the Block and Bridle Club.

Block & Bridle Club

The FHSU Block and Bridle Club has had an extremely busy, fun-filled year. To start the year off, the club helped sponsor the annual Back to School Picnic for all of the FHSU students.

Soon after, the club helped KJLS by cooking hamburgers at the show in Wichita. Not only is this event fun, it is one of our money making projects for the club. Other money making projects included selling hamburger and sausage again this year. Our club also helps sponsor several contests for the Northwest District FFA and Livestock Judging Contest for junior colleges. All of the events require much time and participation from club members and faculty. We also presented a proposed budget to the Student Government Association (SGA) for budget allocations for next year. The SGA recognizes the value of the club as they increased our allocation from \$4,500 (1991-92) to \$7,000 (1992-93).

In November, 27 members and Dr. Gould attended the national convention in Louisville, Kentucky. Dr. Gould was elected as President of the National Block and Bridle Club. Educational seminars and tours of local agricultural industries were attended.

The Regional Meeting was held in Lincoln, Nebraska, on February 22-23. Melanie Wendling was elected Secretary, giving the club representation throughout our region consisting of 10 schools from North Dakota to Missouri.

Along with the hard work, we do take time out to get together as a club and have a good time. Our Christmas party was held in Victoria and again was a great success. Many alumni were present and enjoyed talking with new and old members. Prior to the Little "I" Contest, B&B helped sponsor a Pig Roast to kick off the final week of preparation for the contest. Everyone had fun with many B&B members and Little "I" contestants present.

Delta Tau Alpha (DTA) is a National Honor Society of Agriculture serving agricultural students in regional universities like Fort Hays State University. The objective of DTA is to encourage and recognize high academic performance among students in agriculture and at the same time help students to achieve a balance between academic performance and service and social activities outside of the classroom. This past year the organization initiated 15 new members into the local chapter, which in turn gives them membership in the National Organization.

TOURS

The first tour stop was the Wiglesworth Farm, Paris, Kentucky--a diversified farming operation involving sheep, stocker cattle, tobacco, and a cow-calf operation managed by intensive grazing. The tours were conducted on hay racks as we rode across the farm.

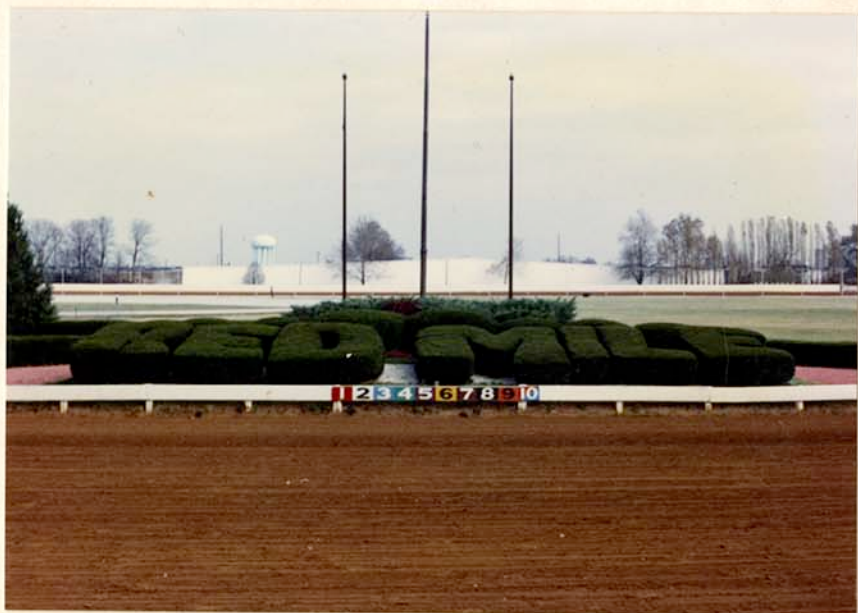

Sheep grazing on the Wiglesworth Farm.

A manager told us how they raised and marketed their tobacco, and to help show us the planting prcess pictures were shown on posterboard.

Fort Hays members walking back to the busses after the completion of the tour.

The second stop was the Red Mile Racetrack, Lexington, Kentucky a harness racing track. A buffet lunch was served in the club house for all Block & Bridle members. After the meal members had a chance to visit the facilities and some of the horses.

During the tour Tim Dasenbrock (L) and Pat Kearny (R) got their chance to get their hands on a \$130,000.00 yearling.

Members were given play money and programs to bet on video harness racing. Afterwards, specific items were auctioned off so members could spend their earnings, if any.

The third stop of the day was Preston Wook Farm, Inc. a thoroughbred farm. The farm is situated on 400 acres in the Bluegrass region of Central Kentucky near the city of Versailles. Three hundred and forty acres comprise the main farm and breeding complex where champion Groovy, I'm glad, rare performer and Taylors falls stand at stud. The remaining 60 acres serves as a breaking and training facilities for the farm's yearlings.

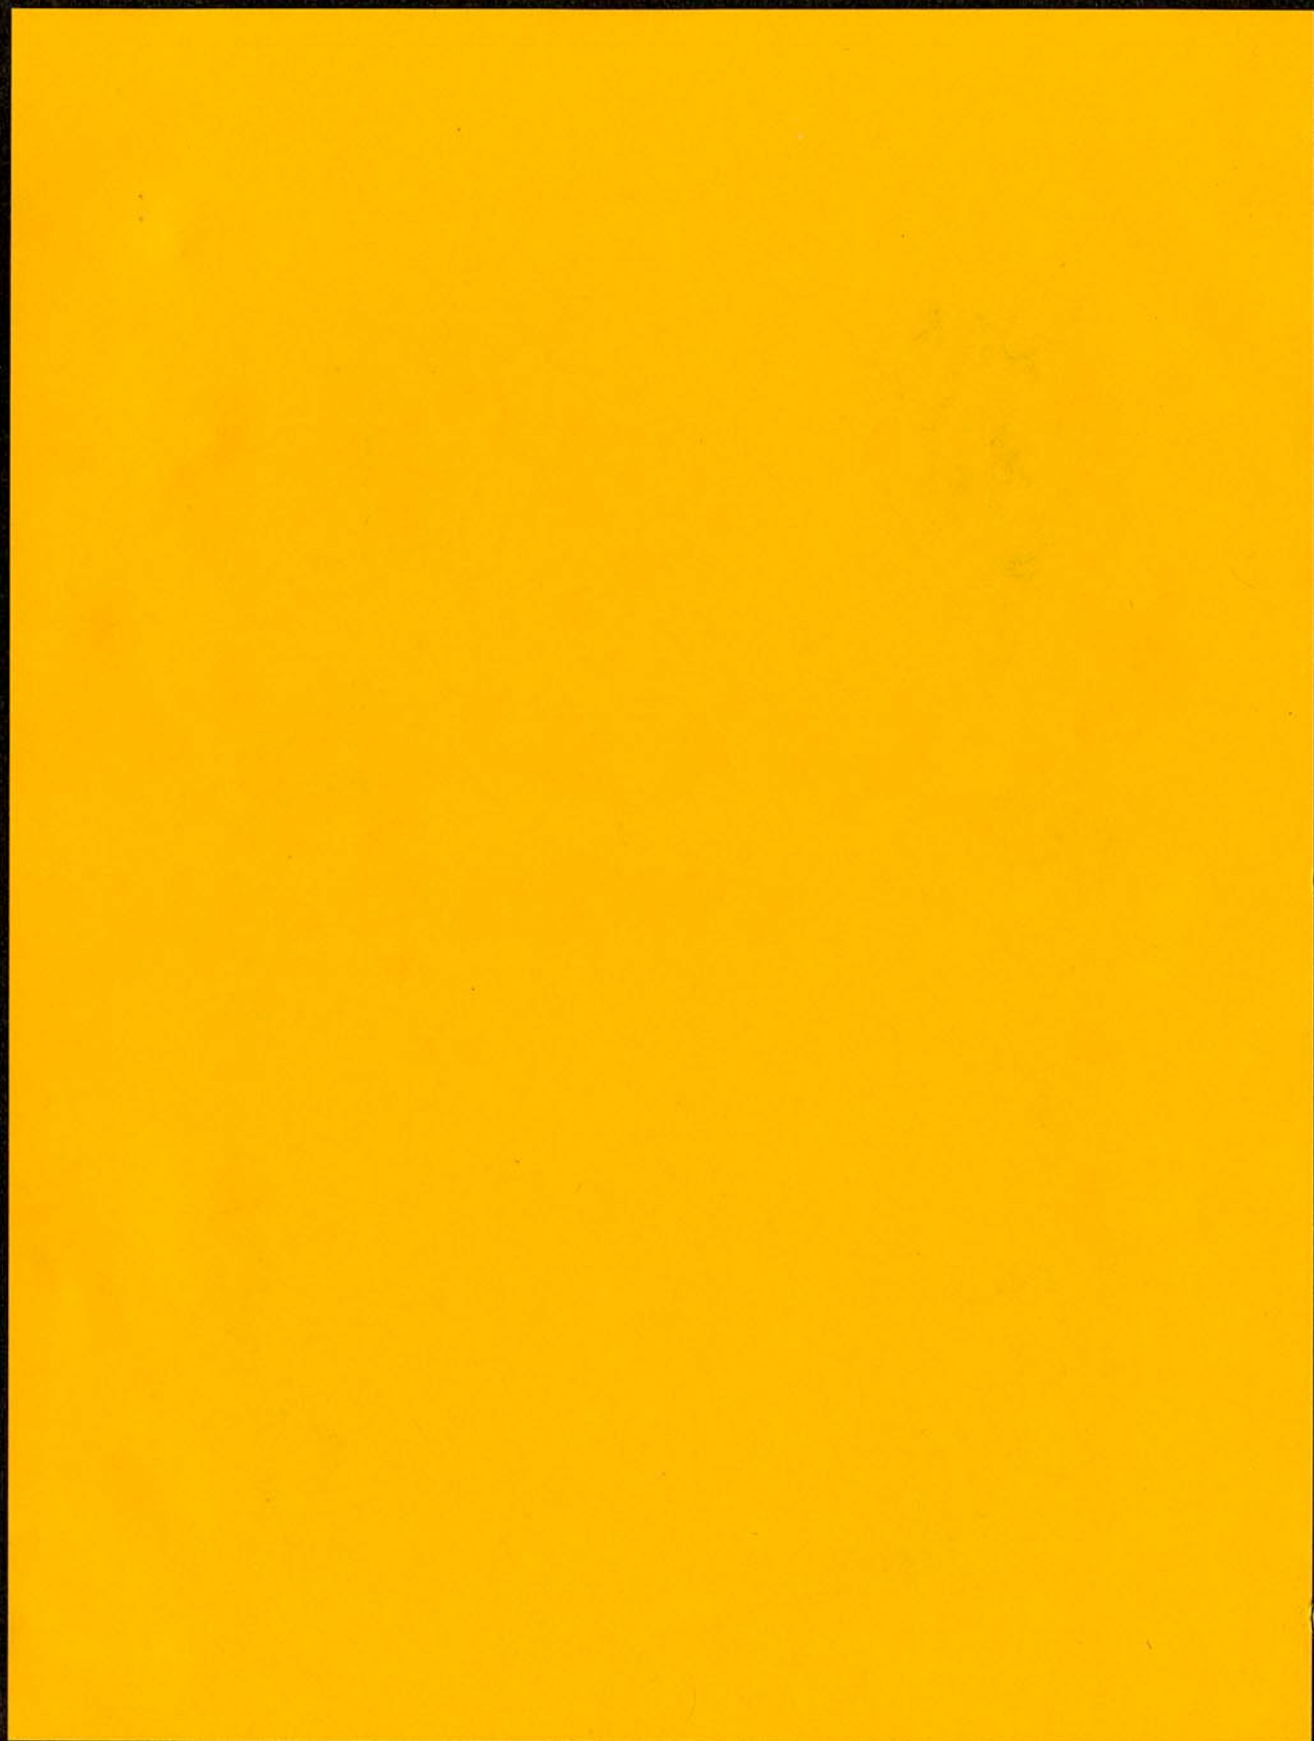

Carl Gough talks to members about Prestonwood Farm, what they hope to do with their horses, and shows them the foal barn.

Saturday after the morning session members had a chance to stay at the Exposition Center or go to Churchill Downs to watch the Thoroughbreds run. For some of us it gave the us the chance to do some betting, and maybe make some money.

1991
NATIONAL
BLOCK AND BRIDLE
CONVENTION
Louisville

Hosted by the University of Kentucky

WELCOME TO KENTUCKY!!

...And, on behalf of the UK Block and Bridle Club, I would like to welcome you to the 1991 National B&B Convention. From the mountains and feedlots of Colorado to the ranches and ranges of Texas, this year you will experience the hills and pastures of the Uncommonwealth of Kentucky. To top it off, just help us pray for some wet-free weather over the next few days!

And what a program is in store for you! This year's convention includes visits to livestock and horse farms, racetracks, and the NAILE. Furthermore, various ideas will be presented during the tours and by the speakers. As you know, the National Convention gives opportunities to B&B members to learn, to set new goals, and, most of all, to GROW as an individual. So, I encourage YOU to get the most out of the next few days!

To help you out, I made a sample checklist of objectives:

- _____ Learn about the diversity of Kentucky's Agricultural production systems.
- _____ Strike it rich at Churchill Downs.
- _____ Meet people from far-off places.
- _____ Learn some new dancin' steps.
- _____ Represent your school.
- _____ Win a door prize at the Prayer Breakfast.
- _____ Get a better idea of what future options you have.
- _____ Set some goals (both personal and for your club).

So, after you have lots of fun and little sleep, I hope you go home with a better feel as to who you are and what lies ahead, as well as having gained a greater respect in what Block and Bridle stands for--A DRIVING FORCE BEHIND AGRICULTURE.

* And realize that YOU, *
as a member, are an important part of carrying on that
* TRADITION *

Sincerely,

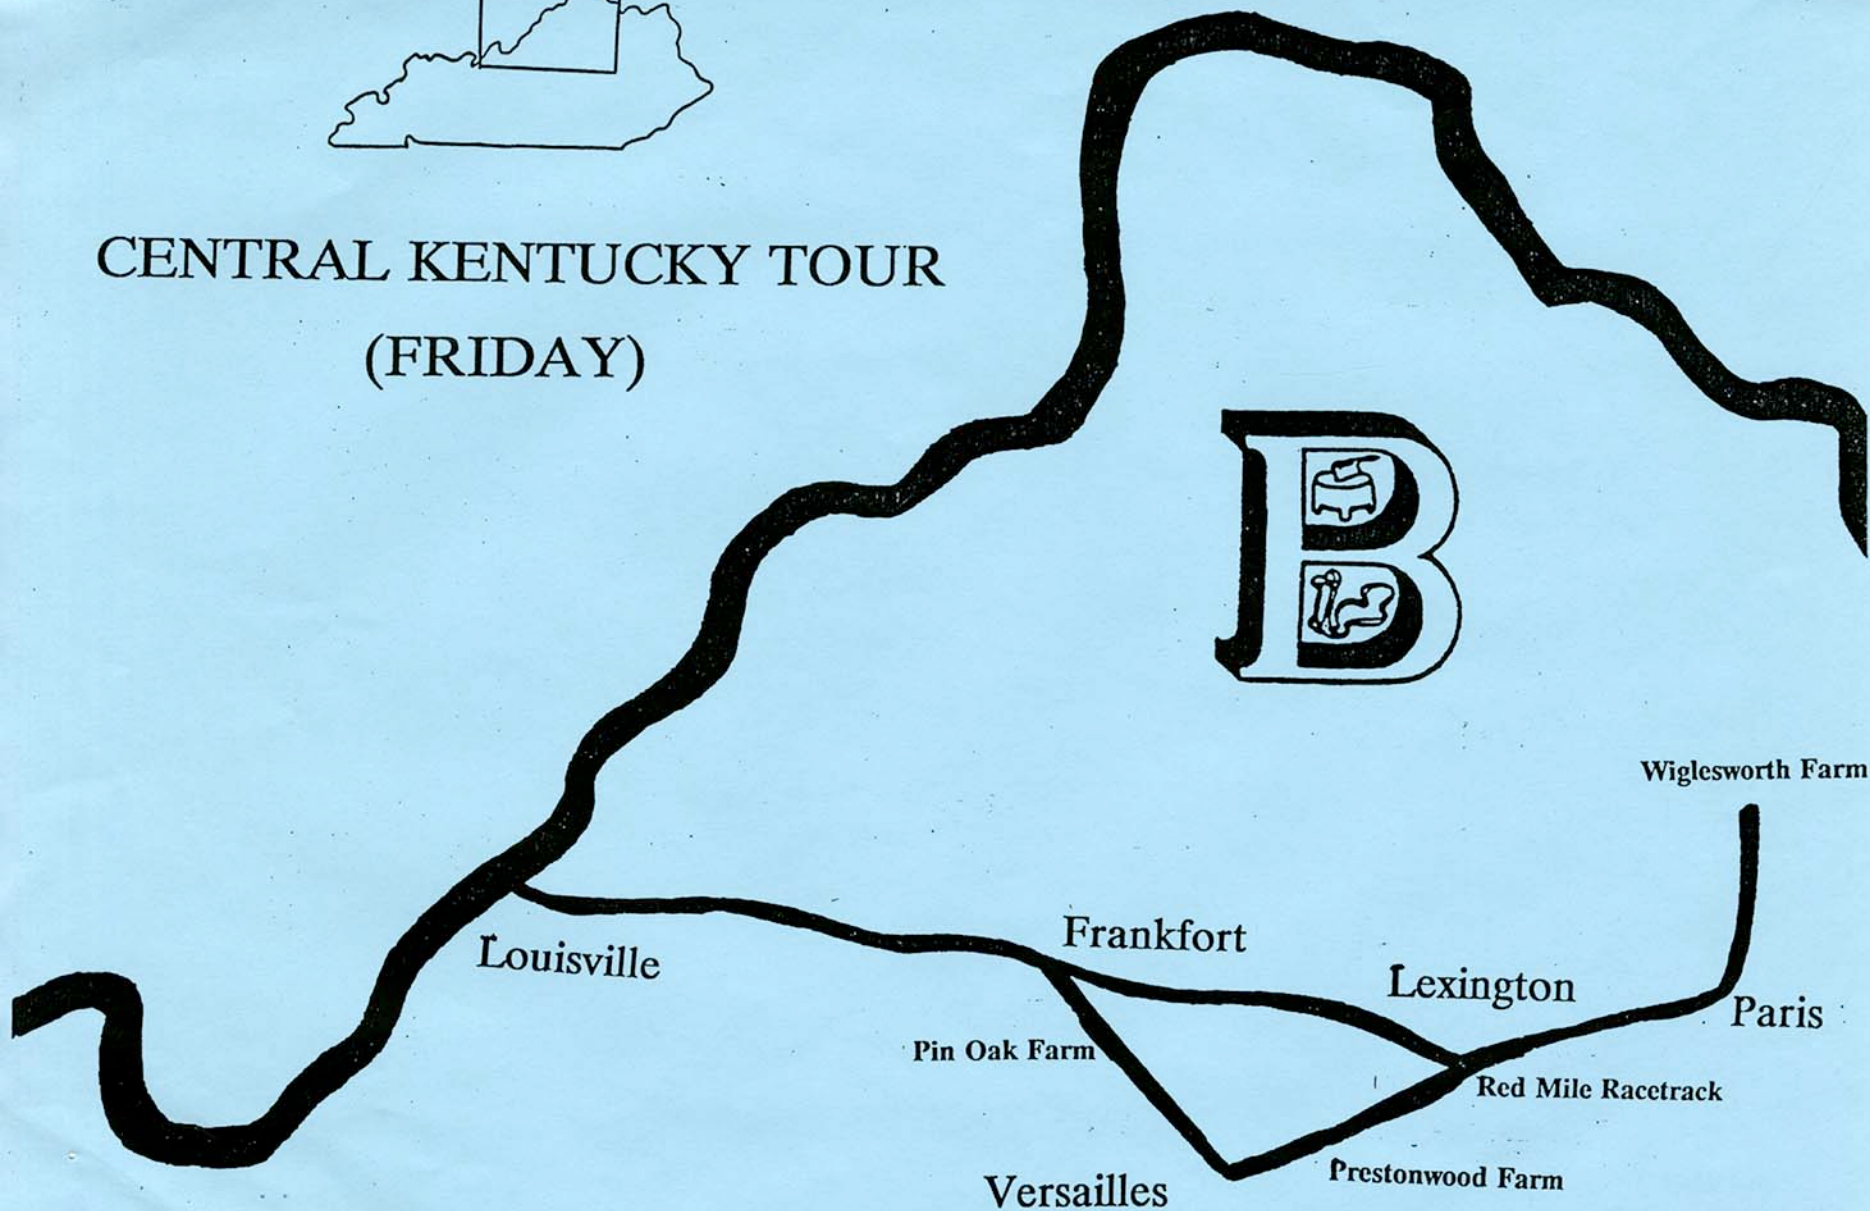

Lisa Appeddu
UK Block and Bridle President

AGENDA
1991 National Block and Bridle Club Convention
Louisville, Kentucky
November 14 - 17

The 1991 National Block and Bridle Convention is finally here! Convention headquarters is located at the Holiday Inn, I-65 South, 3317 Fern Valley Road, Louisville, Ky. 40213 (502-964-3311). Room rates are \$65.00/night for a double room and reservations should have been made directly with the hotel by phone prior to 10/25 for the nights of 11/14, 11/15 and 11/16.

The outline below is a general description of the Convention events in which you may have decided to participate.

Thursday, November 14

- A. **REGISTRATION:** Arrive at Holiday Inn. After checking into your room, have someone from your club check in at the Convention table to pick up your club Convention packet. The Convention table will be located in the Donerail Room. Members of the University of Kentucky Block and Bridle Club will be at the Convention table from 4:00 to 11:30 p.m. Your Convention packet will contain nametags (which must be worn for all events for which you have chosen to participate), Kentucky "goodies", Convention information, passes to the Kentucky Fair and Exposition Center (pin that must be worn or shown each time you enter the Exposition Center), tickets for each event in which you chosen to participate and your official Convention sweatshirt, if you chose to order one through the University of Kentucky Block and Bridle Club. If you did not order one, UK B&B are selling a limited supply. These will be on sale where you register.

Friday, November 15

- A. **CENTRAL KENTUCKY TOUR:** Buses will be loading at 6:45. NO ONE WILL BE ADMITTED ON BUS WITHOUT THEIR CENTRAL KENTUCKY TOUR TICKET. Donuts and juice will be provided. The buses will leave promptly at 7:30 and return to Louisville by 5 p.m. If you paid to go on the tour, it is essential that you ride on the Convention chartered buses since the horse farms will accommodate only a limited number of tour vehicles at one time. The tour will be able to accommodate about 350 people and will include visits to:
1. Wiglesworth Farm, Paris, Kentucky--a diversified farming operation involving sheep, stocker cattle, tobacco and a cow-calf operation managed with intensive grazing.
 2. Red Mile Racetrack, Lexington, Kentucky--following a buffet lunch in the club house, experience the thrill of "video harness racing" and place your bets (official program and "money" is provided) at the betting windows for your favorite. Afterwards, specific items will be auctioned so that you may spend your "earnings", if any!

3. Thoroughbred Farm--after the "video harness racing", one group will visit Pin Oak Farm and one group will visit Prestonwood Farm.
- B. **DINNER CRUISE:** Buses will leave from the Holiday Inn at 6:00 p.m. to travel to the Ohio River for a 3 hour dinner cruise on the Star of Louisville cruise ship. NO ONE WILL BE ADMITTED ON BUS WITHOUT THEIR BUS TICKET. The cruise includes a buffet dinner consisting of chilled jumbo shrimp, sliced pork loin or country ribs, carved New York strip, the fresh catch of the day, chicken breast pinwheels, various salads, fresh fruits, desserts, iced tea and coffee. The boat has a band that will play country-western music; however, dancing is limited due to the relatively small dance floor on the second floor of the ship. The Star of Louisville has a cash bar, and you will be carded and stamped as you board the ship. We should be back at the Holiday Inn by 10:00 p.m.
- C. **DANCE:** A room (Derby A, B, C) has been reserved at the Holiday Inn for a dance after the cruise. A DJ will provide music, and the dance will last from 10:00 p.m. to 1:00 a.m. The Holiday Inn will have a soda fountain at the dance where soft drinks can be purchased; however, alcohol will not be served or permitted at the dance. If you violate this policy, be prepared to bear the consequences, so please cooperate with us so that this will not be a problem. If this policy is violated, the Holiday Inn will terminate the dance.

Saturday, November 16

- A. **MORNING PROGRAM:** Buses will load at 7:45 and leave the Holiday Inn at 8:15 a.m. for the Kentucky Fair & Exposition Center. The speakers will be located in the EAST HALL 1 & 2. If you chose not to ride the charter buses, you must provide your own transportation to the Exposition Center. Beginning at 9:00 a.m., the following speakers will discuss career opportunities and related items in the Animal Industry:
1. Dr. Debra Aaron--Associate Professor of Animal Sciences at the University of Kentucky. Dr. Aaron received her B.S. (Animal Science) and M.S. (Animal Breeding) degrees from the University of Kentucky and her Ph.D. (Animal Breeding with minor in Statistics) from Oklahoma State University. Currently, Dr. Aaron teaches graduate level statistics courses in the College of Agriculture and will address career opportunities from an academic standpoint.
 2. Dr. Don Applegate--D.V.M. Dr. Applegate was a practicing veterinarian for several years and currently coordinates the Vet-Tech Program at Morehead State University, Morehead, Kentucky. Dr. Applegate will share his thoughts regarding career opportunities in the Veterinary field.
 3. Mr. Tom Burke--American Angus Hall of Fame, Smithville, Missouri. Tom probably has been involved in the sale of more purebred Angus cattle than any one else in recent history. Known as "Mr. Enthusiasm", Tom will share some of his thoughts about career opportunities in sales management and related areas.

4. Ms. Barb Wilkinson, National Cattlemen's Association, Denver, Colorado. Ms. Wilkinson will share some of her thoughts on how Agriculture is changing and how students need to prepare themselves to meet these changes.
- B. **AFTERNOON PROGRAM:** Participants have a choice of going to Churchill Downs and watch the Thoroughbreds run or stay at the Exposition Center and watch some of the livestock shows (Draft Horse Show, Junior Breeding Sheep Show, Wool Show) or view the exhibits. For those that chose to go to Churchill Downs, please board the buses at 11:30 a.m. from EAST HALL. The buses will depart Churchill Downs at 4:30 p.m. for the Holiday Inn. For those that stay at the Exposition Center during the afternoon, no bus service will be provided back to the Holiday Inn. Lunch on your own either at Churchill Downs or at the Exposition Center.
- C. **EVENING PROGRAM:** Dinner on your own. Buses will depart the Holiday Inn at 6:30 p.m. for the Kentucky Fair and Exposition Center. ONCE AGAIN, YOU WILL NOT BE PERMITTED TO BOARD THE BUS WITHOUT A TICKET. Rodeo begins at 7:30 p.m. in the Coliseum followed by a dance at the Exposition Center. The dance will be located in WEST HALL 1 & 2 from 9:30 p.m. to 1:00 a.m. A DJ will provide the music; however, you must wear your nametag to get in the dance. A cash bar will be provided at the dance and you will be carded by security personnel. Buses will depart the Exposition Center at 1:00 a.m. for the Holiday Inn. All buses will be released when they return to the Holiday Inn.

Sunday, November 17

- A. **PRAYER BREAKFAST:** Starting at 8:00 a.m., a buffet breakfast will be served at the Kentucky Fair and Exposition Center in EAST HALL A. You must provide your own transportation to the Exposition Center.
- B. **SPEAKER:** Mr. Mike Richey, Director Agricultural Alumni and Development, College of Agriculture, University of Kentucky. Mike is a dynamic individual who promises to deliver a very special message.
- C. **NATIONAL BUSINESS MEETING:** Officers of National Block and Bridle Club.
- D. **ADJOURN:** 10:30 a.m.

Some additional points and reminders:

1. The tickets for the events are colored coded for different days: BLUE-FRIDAY, RED-SATURDAY, and WHITE-SUNDAY.
2. PLEASE...ALWAYS REMEMBER YOUR TICKET. We only have enough room to accomodate those who purchased tickets.
3. Everyone who registered should have received a nametag. Without this you will not be able to participate in any event, especially the dances.

"One of our main concerns is maintaining ties for visibility," Addis said. "Accessibility and aggressive attitudes are important issues.

"Our second concern is the environment," Addis said. "There are three major issues in this area.

"A committee with rotating members to adopt new plans, implement them and be a watch dog," Addis said. "Education for students with a freshman orientation and a recycling bin on campus for the community.

"Our third issue would be as a student liaison," Addis said. "We want to bridge the gap between the curriculum changes and the students.

"Lastly, the escort service is about to start up again," Addis said, "and I think SGA should follow through with the program and help in anyway they can."

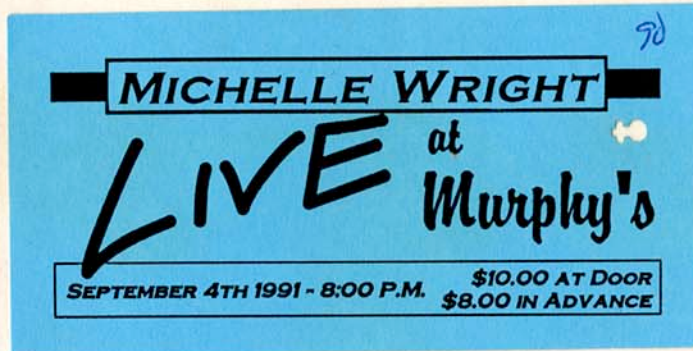

Marc Enyart

These are people who have filed for the designated positions and who have passed the background check on Basic Election Regulations. Changes in the number of seats available in an area have also been made to this list.

Six members of the B & B ran for SGA positions in which four were elected to senate, one, Marc Enyart, vice-president, and one as treasurer.
